

**APRIL 20TH SETUP FOR SHOW APRIL 21ST CLASSES &
EXHIBITS APRIL 22ND CLASSES & EXHIBITS**

LAFAYETTE HILTON & TOWERS

**AFMS P.O. BOX 60426 LAFAYETTE, LA 70596 The Lafayette Hilton
and Towers Welcomes ACADIANA FLOW MEASUREMENT
WHAT IS THE ACADIANA FLOW MEASUREMENT SOCIETY?**

AFMS is a nonprofit organization comprised of members of the measurement profession and associated businesses. The society was chartered by gas measurement personnel in 1965 to provide a forum for the exchange of measurement knowledge. Membership has expanded to include liquid measurement specialists. The society hosts an annual short course at the Lafayette Hilton & Towers to provide the measurement community the opportunity to associate with peers, listen to stateoftheart measurement presentations, and exchange ideas.

WHO SHOULD JOIN AFMS?

We invite all persons concerned with measurement, instrumentation, quality determination, and control of gas and liquids to join AFMS. People dealing with regulatory agencies or interpreting government regulations will gain insight as well. Join our effort to stay informed on the latest developments in measurement. Yearly dues are \$25.00.

This 1 1/2 day short course is filled with topics and hands on of product and measurement related issues. Also presentations from industry governing personnel (MMS).

In our 30th year, we continue to present the latest technology, research, applications, and regulatory interpretations by scheduling the most new classes in the industry. Packing numerous classes in 1.5 days with over 50 exhibits, we deliver the most show for the least time.

COMPLIMENTARYREGISTRATION
**April 2022, 2009 at the Lafayette Hilton & Towers A.F.M.S. MEASUREMENT
